NOTICE

Effective July 1, 2023

Due to the shortage of burial sites the Palm Springs Cemetery District will no longer sell burial sites prior to need.

One site may be purchased at the time of need to accommodate a burial, and one additional site may be purchased for a spouse, companion or significant other.

The District currently has an expansion project pending approval from the City of Cathedral City, however due to circumstances beyond our control the project has been delayed several times, and is now five months behind schedule.

We apologize for any inconvenience this may cause, and look forward to the opening of our new expansion project.

Thank you for your patience and understanding.

Regards,

Kathleen Jurasky, District Manager
